Professional Experience

Full Stack Developer — DGold

Novi Sad, Serbia | Remote

September 2021 – January 2023

- Modernized legacy PHP, Bootstrap, and JavaScript systems by migrating interfaces to React and Tailwind CSS.
- Improved usability, performance, responsiveness, and maintainability of internal and public-facing applications.

- Developed internal analytics, reporting, reward, and administration systems.
- Contributed to proprietary video conferencing tools and dashboard platforms.
- Worked on gaming and streaming initiatives intended to evolve into SaaS products.

Freelance Web Developer

Serbia | Remote

January 2023 – September 2023

- Designed, developed, and maintained websites for local businesses.
- Worked directly with clients to gather requirements and deliver tailored solutions.
- Managed projects from planning through deployment and support.
- Maintained strong client relationships through professional communication and service.

Freelance Web Developer

Norway | Remote

September 2025 – Present

- Built and deployed personal and commercial web projects using modern frontend technologies.
- Developed an IT Support Technician portfolio and deployed it to production.
- Created a landing page for an import company with multilingual support.
- Developed an ecommerce storefront for a natural cosmetics startup.
- Expanded expertise in full-stack development, ecommerce systems, and SaaS-oriented architecture.
